

# Ancient medicine best for health

Live Correspondent

THE FORTNIGHT-long free Yoga and Naturopathy Camp from May 11, organised by Bapu Nature Cure Hospital and Yogashram, Patparganj, concluded on May 25. Chief Guest, Lt. Governor Vijay Kapoor, stressed upon the need to revive ancient Indian systems of medicine like Naturopathy, Yoga, and Ayurveda for a healthy life.

He felt that any venture that leads to un-restricted human welfare needs to be

whole-heartedly appreciated and encouraged by all. Vijai Kapoor said, "The expansion programme of the hospital will not only provide treatment and research but also extend job-oriented courses and create awareness in the Indian system of medicines. The need of the hour is to have a world class hospital with natural surroundings."

He assured all administrative support and help for building such a hospital to serve the people.
