Camp endorses holistic health care

HT Live Correspondent

INAUGURATING A fortnight-long Free Nature Cure & Yoga Camp under sponsorship of NIN (National Institute of Naturopathy) and CCRYN (Central Council for Research in Yoga & Naturopathy) recently, president Mahila Dutt Samiti Suman Krishnakant applauded the efforts being made to propagate holistic health care.

The camp focused on chronic diseases like bronchial asthma, sinusitis, rhinitis, anxiety neurosis,

depression, insomnia, diabetes, obesity, hypertension, paralysis, osteo-arthritis, rheumatoid arthritis, spondylosis, gout, sciatica and skin diseases.

The camp comprised free consultation, diet counselling and treatments like scientific partial body massage, mud bath, mud pack, infrared, acupressure, magneto therapy, yoga therapy and yogic kriya.

The camp was organised by Bapu Nature Cure Hospital and Yogashram on the hospital premises at Patparganj.
